This collection selects the most precious pattern, structuring a range inspired by the abundance of the quarry materials. The antiqued surfaces cross the entire color range: the classic patterns and the delicate colors, the harmonious shapes and the chromatic variability of the tiles, up to the decisive contrast on the the surface.

we have collected the most relevant in modern design from maximalism with a riot of tropical colors to the suprematist SUPREME motifs, modernist panels. We were inspired by everything that has become the pinnacle of interior fashion the rethinking of traditional ornaments and shapes, pronounced textures, pure colors and delicate shades in harmonious and contrasting combinations, unusual patterns and graphics.

Fresh, crisp, eye-catching. Italian Dream is the collection that pays tribute to modern design, blending the tile in solid colors - characterized by a dotted surfac with enamel effect - different patterns: from those that reproduce flowers to those who pay homage to the leaves, ending with the patchwork versions with lines and prints or pictures stolen from the floral world.
